Foster Home Questionnaire

Thank you for your interest in becoming a foster home to one of our rescued German Shepherd or Corgi dogs. Our organization relies heavily on foster families to save dogs lives, and we couldn't save as many as we do without volunteers like you, so thank you from the bottom of our hearts. We will review your questionnaire as quickly as possible, and we will contact you to further discuss with you next steps.

A home visit may be required prior to fostering a dog for our rescue. We reserve the right to deny any application at our sole discretion. It is our responsibility to act in the best interest of the dogs and to find the most suitable temporary home for each dog's individual personality and needs.

Responses to ALL questions are REQUIRED. If something does not apply, write N/A.
